

UC RIVERSIDE - Student Comments of Instructor,
Discussion Courses - Spring 2024

Course: MATH 010B Section: 004 - CALCULUS:SEVERAL
VARIABLES

Instructor: Chris Grossack

Question # 18: YOUR CONSTRUCTIVE COMMENTS ON YOUR GRADUATE STUDENT INSTRUCTOR'S TEACHING SKILLS ARE EXTREMELY IMPORTANT. PLEASE WRITE YOUR COMMENTS IN THE TEXTBOX BELOW. PLEASE LIMIT YOUR COMMENTS TO 2000 CHARACTERS.

- They were the best instructor that I have had so far. They know the subject matter very well to the point where they can explain these subjects better than my professor. Every question asked was answered thoroughly and in a way that makes it easy to grasp. The only thing that I would change is to have some questions set aside in case no one has questions so we have something to discuss.
- Chris helped explain course materials, homework, and lectures. The best part was Chris would draw pictures and describe every detail of the problem which helped me understand the question. Chris's explaining helped me understand this course.
